Supernatural Desire -Gay Threesome MMM Fantasy Romance Alex is ditched by his fiancée, Ana for a younger man, and his best friend Shawn, convinces him to go with him to the fantasy vacation place of Amazonia. While in Amazonia, Alex finds himself in another land where there is magic and that sort of thing. He finds himself surrounded by two wizards who claim that they are there to help him. When he wakes up, he is naked, and in order for the wizards to get to know about his past love life, they have to touch him in his intimate places. That gets Alex fired up and one thing leads to another, ending up with sex with the two wizards. The sex has an effect on him because he inherits some magical powers. The question is, how will the magical powers help his love life? **His Conquest-Gay Threesome MMM Contemporary Romance** A high school reunion brings together three friends, Ethan, Marty and Chris after several years of not seeing each other. As it is, they are all still single and lonely, which leads them to be attracted to each other during a fishing trip. Back at the campsite with the rest of their former classmates, they enjoy drinks around a bonfire. Marty and Chris begin necking while Ethan goes to the tent for water, and when he comes back, he also finds himself aroused. Back in the tent, things become heated between the three friends, as they seek to take care of each other's erotic needs. They experience pleasures that they had never known could exist, as they indulge in heated lovemaking. Ethan later finds out that his high school crush, Samantha, is still in love with him. *WARNING: This book contains mature language and content intended for 18+ readers only!*
